

# M Zidan Alfareza

## Chemist | Research & Development | Quality Control

+62 858-7578-7747 • Jakarta, Indonesia • [zidanalfarr@gmail.com](mailto:zidanalfarr@gmail.com) • [linkedin.mzidanalfareza](https://www.linkedin.com/in/mzidanalfareza)

---

### PROFESSIONAL SUMMARY

---

Experienced chemist specializing in inks and adhesives with a solid background in R&D and QC. Proven expertise in product development, material research, process optimization, and sustainability initiatives. Skilled in both instrumental and conventional analysis, with strong attention to detail and problem-solving capabilities.

### WORK EXPERIENCE

---

#### **PT DIC Graphics - Jakarta, ID**

2020 - Present

##### *Research and Development Staff*

- Consistently achieved the annual company target for developing and launching new gravure ink products, including reverse, surface, specialty inks, and OPV.
- Identified alternative raw materials replacing over 80% of existing materials through a structured evaluation process, ensuring full regulatory compliance.
- Addressed internal production and customer issues through simulation and root cause analysis, resulting in improved product performance and customer satisfaction.
- Achieved 10-20% cost reduction (exceeding IDR 2 billion annually) in gravure ink manufacturing through process and material optimization while maintaining product quality.
- Collaborated cross-functionally to reduce inventory levels of slow-moving items aged 6–12 months
- Created a comprehensive technology reference to guide future development and process improvements.

#### **PT Huntsman Indonesia - Jakarta, ID**

2018 - 2019

##### *QC Laboratory Technician*

- Provided approval and rejection decisions for raw materials and finished products alongside the QC Department Head.
- Collaborated cross-functionally to resolve quality issues through root cause analysis and corrective actions, reducing rework by 30%.
- Managed laboratory equipment calibration and test method validation, achieving a 95% audit pass rate and reducing downtime by 25%.

## EDUCATION

---

|                                                                         |             |
|-------------------------------------------------------------------------|-------------|
| <b>Muhammadiyah Jakarta University - Jakarta, Indonesia</b>             | 2019 – 2021 |
| Bachelor of Engineering, Chemical Engineering. Cumulative GPA : 3.4/4.0 |             |
| <b>AKA Bogor Polytechnic - Bogor, Indonesia</b>                         | 2015 – 2018 |
| Diploma of Science, Chemical Analysis. Cumulative GPA : 3.25/4.0        |             |

---

## PROFESSIONAL SKILLS

---

- Instrumental Analysis ( UV-Vis Spectroscopy, GC, MS, HPLC, HPTLC, AAS, FTIR )
- Digital Microscopes, KF Titration, COF Testers, Suntest XLS+, Xenotest, Tensile Testing Machines, eXact Spectrophotometer.
- Volumetric Analysis & Gravimetric Analysis
- Software ( Microsoft Office, Outlook, Aspen HYSYS, PEFD, SQL, Python, Tableau, Looker Studio )
- Time management & prioritization, adaptability, attention to detail, and problem-solving abilities.

---

## CERTIFICATIONS

---

- Packaging Printing Essentials & Cost-Effective Strategies (IPF Masterclass Training)
- Technical Guidance for SNI ISO/IEC 17025:2017 Accreditation (SGS Academy)
- IELTS ( IDP Kelapa Gading Jakarta)
- Full Stack Data Analytics REVOU
- Quality Management System Training ( ISO 9001:2015 )
- Food Safety Management System Training ( ISO 22000:2018 )
- Environmental Management System Training ( ISO 14001:2015 )

---

## ORGANIZATION EXPERIENCE

---

|                                                      |             |
|------------------------------------------------------|-------------|
| <b>5S Organization PT DIC Graphics - Jakarta, ID</b> | 2021 – 2024 |
| <i>5S Coordinator</i>                                |             |

- Coordinated 5S implementation in a laboratory, improving organization, safety, and operational efficiency.
- Performed regular internal 5S audits, standardized lab layouts and chemical storage, and drove corrective actions.
- Conducted knowledge-sharing sessions on 5S standards to sustain compliance through SOPs.

|                                                                 |             |
|-----------------------------------------------------------------|-------------|
| <b>Inspiration Factory Foundation (Volunteer) - Jakarta, ID</b> | 2020 - 2023 |
| <i>Facilitator</i>                                              |             |

- Volunteered as a youth mentor, empowering and supporting children through guidance and positive role modelling.
- Designed and delivered engaging after-school programs that supported learning and personal development among young people.
